

HALF DAY TOUR TO CITY OF SAMOBOR AND ST. BARBARA MINES

Samobor

City of Samobor is an ancient town located only half an hour drive from Zagreb. Medieval to the core, surrounded by astounding nature and historic sites, it is among the most popular places to visit in inland Croatia.

Those wanting to try the local cuisine or taste local wines are in luck: Samobor is an ideal spot for gourmands! Some of the recipes for local drinks and sausages are still kept as a secret and every family has its own secret ingredient. And, if you miss the famous vanilla cream cake called “kremšnita”, you can not consider you were in Samobor! Apart from delicious cuisine, people of Samobor are famous for their traditional crafts.

St. Barbara Mines

Located in Rude village, opened to the public a decade ago, St. Barbara Mines offers a view of the underground world. Your guide will share stories of previous days and strange creatures who used - or still live in mines.
